Dear Parent / Carer

We have been notified that Stagecoach who took over the school bus service 449 from Brightbus in September will no longer be running this service from the end of this term. However, South Yorkshire Passenger Transport Executive have sourced a new provider and Powells will take up the service from the 9th January 2018.

There will be no change to the route or times of the service but students will no longer be able to use the day and weekly stagecoach passes and will have to pay the 80p fare as they did previously with Brightbus. Any students who have a zero fare pass will still continue to travel for free.

If you wish to contact anyone regarding the school services please use the contact details below;

If you have any concerns regarding this change and would like to discuss them with school please do not hesitate to contact us.

Yours faithfully

Mr A Redfern
Principal
