May 2017

Dear Parent/Carer

Year 11 Arrangements

The next few weeks are critical for Year 11 students as we help them prepare for their final GCSE exams. We would ask that you take a few moments to discuss the information below with your child and support them through what can be a challenging few weeks.

Written exams begin on Monday 15th May and continue through to the end of June. Students have recently received their final examination timetable which included seating arrangements for each exam. Students have worked hard in preparing for their GCSEs and it is vital that they arrive punctually for each of their examinations. Please ensure that your child is aware of the date and start times of each of their examinations and also of the booster revision sessions which are scheduled prior to them. If you have not seen this or they need another copy this can be obtained from the Examinations Officer in school.

In the unfortunate event of a student failing to attend an examination it is likely that the school will charge parents to recover the cost of the examination entry.

All Year 11 lessons will run as normal, the exception being when examinations or booster sessions are taking place, until further notice is given. The Booster session timetable is on the Y11 section of the website at www.netherwoodschoo.com.

Expectations

Throughout the last few weeks and during examinations we have high expectations of our students:

- Students should arrive on time and ensure they are punctual to lessons, booster sessions and exam rooms
- Students must continue to follow our behaviour expectations
- Students must wear full uniform at all times whilst in the school
- Students should ensure that they are fully equipped for lessons, booster sessions and examinations
- When moving around the site before and after exams, students need to be respectful that other year groups are in lessons and working
- Exam rules must be adhered to. Failure to do this could mean **all** your child's examinations are cancelled

Contd...

We would like to thank you again for the continuing support you have given the school and your child as they enter the examination period and we wish them every success.

Examination results will be available on Thursday 24th August. Please do not hesitate to contact either me or Mrs Elrick, Y11 Student Manager at school on 01226 272000 or email dchettleburgh@netherwoodschool.co.uk kelrick@netherwoodschool.co.uk, if you feel there is further support we can offer your child.

Yours sincerely

Y E Bootman
Vice Principal

D Chettleburgh
