

Year Group Notices & Attendance

Thank you to everyone who attended **Thursday's Year 11 Progress Review and information evening**. It was great to see so many of you discussing progress with staff and also visiting the careers stands to take advice on those next steps!

Lesson 6

Information was shared at the above event regarding this. Please also find the timetable on the reverse of the information document attached on the MCAS app.

Wednesday saw our **mock interview event**. To say I was impressed is an understatement. The students were amazing! Many students heard the words "I would have given you the job!" and some have secured repeat appointments to discuss post-16 opportunities. The employers commented on the overall manners, maturity and kindness shown by our students; I was very proud of them. Stand out students of the day were Reece A, Alex S, Harvey H, Kadie C, Grace W, Ruby T, Ezion G and Tora G. Well done!
