

## Year Group Notices & Attendance

The first half term of Year 11 has flown by! It was great to have the opportunity to review everything we have accomplished so far, including mock interviews, the lesson 6 launch, our first progress review and information evening, one to one careers appointments for most students and much more. Next half term looks to be just as busy with our first round of mock examinations and a focus on beginning students' applications for their next steps after Netherwood.

### **Lesson 6**

All students have been reissued new timetables which clearly detail all lesson 6 sessions. If there are any problems, please can students speak to me about this.

Our Academy focus for this week is **gratitude**. I would like to take this opportunity to thank every Year 11 for their impressive start to this important academic year. Secondly, thank you to each and everyone one of you for your continued support.
