

Year Group Notices & Attendance

Good attendance is an ongoing focus as this 'cog in the wheel' is a key metric in giving students the best chance of educational success. I really appreciate your support in this matter. 'Every day counts'!

This week we were fortunate enough to have South Yorkshire Fire & Rescue in assembly on Tuesday. Staying safe and being responsible during this upcoming period of 'bonfire and fireworks' was the key message. Taking ownership of our own decisions and avoiding peer pressure techniques were shared by Watch Manager Craig Huxley.

A huge thank-you to students, who I am pleased to say, have adapted to our newly introduced routines brilliantly since the start of September. The message this coming week will be on the importance of retaining this excellent start and ensuring it continues as we approach the half term break.

Important Dates

Friday 21 October 2022 – INSET Day. The academy is closed to all students on this date.

Prefect Post
