

Year Group Notices & Attendance

Our Academy focus for this week is generosity.

This week we explored the theme of generosity. The students considered the ways they can show generosity to each other when in challenging times. It was a pleasure to hear the students' thoughts around this.

Mock Examinations Report

On Thursday, students received a current Year 11 report detailing the following information for each subject: 5* learner score, target grade and their mock examination result (where examinations were missed due to absence, a current classwork grade has been entered). The report also includes current attendance and achievement points scores. We have reminded students to keep these reports in a safe place as they will be needed for college applications and interviews.

Homework is set weekly for **every subject**.

A reminder from Maths regarding Sparx homework: Homework for **all students in all years** is set every Thursday at 9am and is due the following Thursday at 7am. Any students struggling to access Sparx should see their maths teacher immediately.

Important Dates

28th November 2022 – INSET Day. The academy is closed to all students on this date

Prefect/Prom Committee Post
