

## Year Group Notices & Attendance

The first week returning after Half Term has had a focus on 'reset' and 'resilience'.

Assemblies have been recapping expectations surrounding conduct and behaviour whilst in school, and after such a positive Half Term 1 it is vital that we all strive to improve further.

Students on Friday will receive a report, to take home of their 5 Star Learner score. The score from 1-5, with 5 being above and beyond, is awarded by teachers about the students' effort in their lessons.

The Rewards event at the end of every half term is reserved for those students who have both an average 5 star Learner score of 4 or above and attendance over 92%. This Half Term offers all students a new opportunity to achieve these goals and I am looking forward to welcoming a larger number of the cohort to the end of term rewards before Christmas.

Attendance is a continued metric we focus on – 'every day counts'. High attendance not only gives students the best chance of academic success, but also the opportunity to win some fantastic prizes simply for attending! (Dell Chromebook won by a Year 9 student!)

As a final note I wish you all a safe and happy week during 'Guy Fawkes' celebrations.
