

## Year Group Notices & Attendance

### Our Academy focus for this week has been Generosity.

We discussed the importance of how good it is for relationships and helps to develop important characteristics such as empathy, compassion, and gratitude. It also connects us to others and helps foster a sense of community.

### Homework is being set by all subjects; many are weekly.

There has been a marked improvement on Sparx (Maths) homework completion, however still plenty of room for improvement. Students have been reminded the importance of homework and its use of helping to embed and secure understanding of content covered in lessons.

### Christmas Performing Arts Showcase.
