

Friday 9<sup>th</sup> December 2022

Dear Parents / Carers

**End of term arrangements - Christmas**

I will be writing to you again before we break up for the Christmas holidays with a series of updates and important information, and to wish you a peaceful holiday, but wanted to give you advanced notification of the arrangements for the end of term.

As we have previously communicated to you, the dates in student planners are not correct.

School closes on **Friday 16<sup>th</sup> December** for the holidays. There will be some slight changes to the day for students on this date, and all students will finish at **1.55pm** rather than the usual time of 3pm.

School will then re-open on **Tuesday 3<sup>rd</sup> January 2023** for the Spring Term, at the usual time of **8.30am**.

We will arrange for the bus pick-up time to be changed on 16<sup>th</sup> December for those students who catch the school bus.

Kind regards

Mr J Mitchell  
**Principal**
