

Year Group Notices & Attendance

Hello everyone, I hope you and yours are well and getting ready for the festive season ahead.

It has been another busy week at Netherwood and year 7 have been thinking about honesty and all that that means, especially about honesty being the best policy and being honest with yourself.

In our Assembly this week, we have been thinking about journeys and in particular our journey so far at Netherwood. Now, it may sound a cliché, but I have come up with some Top Tips about our journey along the road of life. I am an English teacher, so if I get a chance to get a metaphor in, I will! Today, we will be getting to the half way stage. But whilst still on the subject of journeys-can you believe we have almost finished the first part of our school journey, the end of Term 1? It has just flown by!

Our young people were out and about in the community. They went to the Sheffield Children's Hospital Christmas Lights switch on. Netherwood students raised money earlier in the year to sponsor a snowflake which has been placed on the side of the hospital. This contributed to the hospitals total snowflake fund which hit £364k from all the snowflakes. There were 2 students from each year group taking part in the presentation, finding out about how the money will be spent and the children it will support and then watching the lights and firework display. Fearne G and Enoch O represented year 7 beautifully-well done you two!

So, may I wish you at this most hectic time, a pleasant week and take care. Mrs Hedley.
