

Year Group Notices & Attendance

Our Academy focus for this week has been Integrity.

We discussed some of the key values – being true to yourself and strong enough to do what you know is right being at the core of our message.

Assembly focus this week was on School Expectations

Year 9 as a cohort are engaging very well with them, however there is always room for improvement. Core expectations, including Uniform, Jewellery, Corridor Transitions and Classroom expectations were once again shared. Focused, calm classrooms maximising Teaching and Learning is always at the heart of all reasoning. Students have been targeted with ensuring they remain as focussed as we were in September – every day counts!
