

Year Group Notices & Attendance

Welcome back Y8! I hope you all had a lovely Christmas break and enjoyed the festivities. This term we have hit the ground running and from classroom observations around school I am yet again very impressed with how Y8 have settled into the Spring Term.

The Y8 parents evening will be taking place in school on Thursday 2nd February. You should have received access to the parents evening system online to start booking appointments. Appointments are booked in on a first come first serve basis. If you haven't received any information please send an email to the year team, details are below, for any log in information. It would be great to see as many of you there as possible to discuss your child's progress in school.

Furthermore, I would like to share some lovely community news that was documented in the Barnsley Chronicle. Well done to Peyton B, in year 8, who sacrificed her time over the new year to help the town's homeless. Peyton has been saving her birthday and Christmas money over year to organise a meal for those sleeping rough. She also created some care packages for the homeless too. Well done Peyton. Your kindness, dedication and wanting to give back to the community is such an aspiring achievement.
