

Year Group Notices & Attendance

Assembly this week we discussed and celebrated the life of Martin Luther King, Leader of the Civil Rights movement and his vision of racial equality. His message was a stark reminder to us all that resonates just as powerfully today as it did then – equality in society is something we can never afford to take for granted and the work must go on both Nationally and within our local communities.

Students have been reminded that new term = new rewards to aim for! All attendance numbers (for the purpose of rewards) have been reset and all students have the opportunities to strive for the highest possible 5* learner scores. It would be fantastic to continue to build an ever-increasing number of students term-on-term able to partake in rewards activities. 'Every day counts'!!

Mr Snelling
